Monthly Newsletter - February 2024

Hello Ram Networks Users, welcome to the Newsletter for February 2024. 1/12 of the way till 2025 completed. This Newsletter has News and It's worth the read 100%.

First things First, Ram Networks Was Put under a New Owner On January 8th of 2024. Yesn't resigned From His Position Due to stress and other issues. Not Many People Know This and Still Think He's The Owner. The New Current Owner(Me) is Luger359. I'll Do what I can to make this even Greater.

So Besides that, Ram Networks was Put under a Parent company known as RamWorks Development group. It Is Like a Hub(as of now and from what I know) to other RamWorks Products Like Luger's Movie Networks, Webworks, HD+, Gremlin Games, etc. It is Run By the Former Owners Of Ram Networks, Yesn't as Co-Owner and theschmungus1 as the owner.

The Owner Of Webworks and Generative Networks is quitting I(Luger) Am Being Put in charge of Them. I honestly wasn't expecting this till Theschmungus1 told me and when the gn owner said they're(idk if he or she) retiring on slack and I tried to get the job. I run 4 networks Now I guess.

That's All I guess, Check the Next Newsletter for more Updates.
Have a great time and Enjoy another Month that stood between us and GTA 6 is Gone!

-Luger359, New Owner
